Question No.10 : Read the paragraph given below and summarize using correct grammar, punctuation and spelling.Marks (10) 1. Create a title for the paragraph related to the main idea. Marks (3) 2. Accurately summarize 1/3rd of the given text. Marks (7) The Mangla Dam is a multipurpose dam situated on the Jhelum River in the Mirpur District of Azad Kashmir, Pakistan. The village of Mangla, which sits at the mouth of the dam, serves as its namesake. The Mangla Dam was the first of the two dams constructed to reduce the water shortcoming and strengthen the irrigation system of the country as part of the Indus Basin Project. The project was designed primarily to increase the amount of water that could be used for irrigation from the flow of the Jhelum and its tributaries. Its secondary function was to generate electrical power from the irrigation releases at the artificial head of the reservoir. The project, though not initially designed as one, also works as a flood control structure by retaining water during the flood season of Monsoon.
